

Instructions to applying for a holiday trip in 2022

The purpose of SIK Vacation Fund:

That employees, paid according to SIK's collective agreements - and their immediate family members - can be granted a holiday trip. The allocation of holiday travel is done by drawing lots from the applicants who meet the conditions for being able to get a holiday trip.

What can the Vacation Fund pay for?

Only the ticket costs for the holiday trip are paid by the Vacation Fund. However, the Vacation Fund also pays for overnight stays on the journey if, for logistical / traffic reasons, it is necessary between the residence and the travel destination and vice versa.

The journey can only be made by the family together; i.e. that everyone must leave the same day and return the same day.

The following conditions must be met in order to participate in the draw for a holiday trip:

- The employee's employer must be a contributor to the fund.
- The application form must be filled in correctly.
- The applicant's spouse / cohabitant and children, whom the applicant wishes to participate in the holiday trip, must have the same residence as the applicant (children must be born after January 1, 2004 in order to participate in the trip).
- The applicant must not be drawn to a holiday trip paid by the Vacation Fund within the last 4 years.
- The applicant must not in 2022 receive a subsidy from or receive his holiday trip free from another holiday fund, or from his employer.
- The applicant's spouse or cohabitant must not in 2022 be entitled to a subsidy or be paid his holiday trip from another holiday fund or from his employer.
- The application must be received by SIP or SIK no later than August 1, 2020.

Filling in the application form:

On the application form, the applicant's name, personal identification number, address, mobile number and e-mail address must be specified. In addition, it must be stated in which workplace the applicant is employed and which job position the applicant has.

If the applicant wants the closest family to participate in the holiday trip, the name and CPR no. on spouse / cohabiting partner and child / children are stated on the application form.

At the application form you only have to tick the box where you want to go; either to a city / village in Greenland or to Copenhagen. Therefore, each applicant must choose whether you want to travel to Copenhagen, Denmark, or to a destination in Greenland (in other words, you can not apply for both a trip to Copenhagen and to a destination in Greenland).

If you wish to travel further from Copenhagen to eg Aalborg or Tirstrup, the applicant must pay for the costs for this.

Drawing the trips:

Holiday trips are awarded by draw, which is made late August. All applicants receive a reply per sms no later than December 1, 2021. The answer can be, 1) that you are drawn to a holiday trip, or 2) that you are not drawn to a holiday trip.
